Dear Ms. Helton:

Regarding Case No. 99-266, Joint Application of Jackson Energy Cooperative and Inter-County Energy Cooperative Corporation for a Revision to the Service Territory Boundary Between the Two Cooperatives, the Commission requested that:

“Jackson Energy and Inter-County shall file within 30 days of the date of this Order two copies of the affected topographic quadrant map reflecting the approved boundary change and the signatures of Jackson Energy and Inter-County.”

Enclosed are the requested copies of the topographic quadrant map. *(located in Map Cabinet)*
SH

Sincerely,

Sharon K. Carson

SB/hv
Enclosure

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

JOINT APPLICATION OF JACKSON ENERGY COOPERATIVE)
AND INTER-COUNTY ENERGY COOPERATIVE CORPORATION) CASE NO.
FOR A REVISION TO THE SERVICE TERRITORY BOUNDARY) 99-266
BETWEEN THE TWO COOPERATIVES)

O R D E R

Jackson Energy Cooperative ("Jackson Energy") and Inter-County Energy Cooperative Corporation ("Inter-County") filed a Joint application on June 23, 1999 for approval for a change in the electric territorial boundary between the two utilities.

Jackson Energy stated that Tim Ledford has requested a single-phase service for his new home, which is located approximately 1 mile from Jackson Energy's existing lines and within its service territory. No road exists between the existing lines and the new home. Jackson Energy indicated that serving this new home will be expensive, and service reliability could be affected due to the remote location and the lack of road access. Inter-County has distribution facilities within approximately 1,800 feet of the new home. The cost to serve the new home by Inter-County would be substantially less. Jackson Energy and Inter-County agreed to revise the territorial boundary, so the new home and any future growth in the area will be served by Inter-County.

Based on the application and being sufficiently advised, the Commission finds that the proposed boundary changes will prevent wasteful duplication of facilities, avoid

unnecessary encumbering of the landscape, and provide adequate and reasonable service to the affected area.

IT IS THEREFORE ORDERED that:

1. The boundary change as agreed upon by Jackson Energy and Inter-County is hereby approved.

2. Jackson Energy and Inter-County shall file within 30 days of the date of this Order two copies of the affected topographic quadrant map reflecting the approved boundary change and the signatures of Jackson Energy and Inter-County.

Done at Frankfort, Kentucky, this 27th day of July, 1999.

By the Commission

Dear Ms. Helton:

CASE 99-266

Jackson Energy Cooperative is requesting approval from the Public Service Commission to grant a territorial boundary change between Jackson Energy Cooperative and Inter-County Energy. A new consumer has requested service which when provided by Jackson Energy Cooperative, will result in substantial cost to the consumer. Inter-County would be able to provide service to that consumer at a lesser cost, provided that your organization grants the boundary change.

Enclosed is the signed original of the application. Also enclosed is the set of ten copies of that original. If you have any questions, please let us know.

Sincerely,

Sharon K. Carson

CORPORATION FOR A REVISION TO THE SERVICE)
TERRITORY BOUNDARY BETWEEN THE TWO)
COOPERATIVES.)

CASE # 99-266

APPLICATION

The application of Jackson Energy Cooperative (JEC) and Inter-County Energy Cooperative Corporation (ICECC) respectively shows:

1. JEC and ICECC are nonprofit membership cooperative corporations without capital stock, duly organized and existing under K.R.S. Chapter 279, engaged in the business of supplying electric energy to its member-consumers in the Kentucky counties of Breathitt, Clay, Estill, Garrard, Jackson, Laurel, Lee, Leslie, Lincoln, Madison, Owsley, Powell, Pulaski, Rockcastle, and Wolfe for JEC and Boyle, Casey, Garrard, Larue, Lincoln, Madison, Marion, Mercer, Nelson, Rockcastle, Taylor, and Washington for ICECC.

2. The name and postal addresses of the Applicants are as follows:

JACKSON ENERGY COOPERATIVE
HIGHWAY 421 SOUTH
POST OFFICE BOX 307
McKEE, KENTUCKY 40447

INTER-COUNTY ENERGY COOPERATIVE CORPORATION
1009 HUSTONVILLE RD.
P.O. BOX 87
DANVILLE, KY 40423-0087

3. Copies of the articles of incorporation of JEC and ICECC are filed with the Commission.
4. Tim Ledford, a new consumer has requested single-phase service for his new home that is located in the northwest corner of Rockcastle County and is within the JEC service territory. JEC would need to extend their facilities approximately 1 mile north from the existing lines through solid woodland and rough terrain. There are no roads or trails large enough for truck access to areas that our lines would cross. Refer to Exhibit A. If JEC were to serve this consumer, it would require a substantial contribution in aid to our construction. The line extension would require extensive maintenance and service reliability could be affected due to the remote location and the lack of road access.
5. ICECC's distribution facilities are within approximately 1,800 feet of the new residence. There are existing roadways to the new residence and ICECC's cost to serve this residence would be substantially less.
6. The proposed territorial boundary revision was drawn with the consideration of any future growth in the area of the new residence that could not be served economically by JEC. ICECC can access this area and maintain it more economically.
7. JEC and ICECC have included ten (10) copies of this application and Exhibit A.

AGREEMENT BY THE PARTIES

JEC and ICECC hereby agree to the territorial revision as indicated on Exhibit A to provide economical service to the consumers who request service in the territory. We request the Commission approve the revision to our boundaries.

Douglas P. Eary
President and General Manager
Jackson Energy Cooperative

James Jacobus
President and CEO
Inter-County Energy Cooperative Corporation

WHEREFORE, JEC and ICECC respectfully requests the Commission to makes its order issuing approval for the territorial boundary revision.
